Water is the essence of life.

Arinda and her

pray each day  
for safe water.

Ketty, Joan and Anna often miss school when they have to walk one hour to the river for water.

Her  
need is  
**CLEAR.**

They want their own  
tank to collect water  
when it rains so they  
don't have to go to  
the river. They will  
be able to go to  
school.

Her  
need is  
**CLEAR.**

Happy Christmas!
